McCormick & Schmick's Annual Fundraiser for the Safety Learning Center & Fire Museum

McCormick & Schmick's Seafood Restaurant at SW 1st and Oak has again offered to hold a fundraiser for the Jeff Morris Foundation, with the proceeds to benefit the Safety Learning Center & Fire Museum. In 2006, \$4,960.00 was raised!

On October 11, 2007, the event will feature the oyster shucking and eating contest teaming Portland Firefighters with a local seafood restaurant chef and celebrity counter. This year's celebrities include Miss

Oregon 2007, Kari Virding.

The oyster event will begin at 3:30 and conclude about 4:00. Immediately following, the restaurant will open and Portland Fire employees will be volunteering to assist restaurant staff as they serve diners. This is a great way for people to get to know the members of the Fire Bureau. Firefighters will be serving from 4 PM until around 10 PM.

In the end, the real winner is the Jeff Morris Foundation.

20% of the proceeds for the day and all proceeds from beer and wine sales will be donated to support fire and life safety education programs and the Historic Belmont Firehouse.

Come on down and be a part of the fun. This is a great way to celebrate Fire Prevention Week and support a good cause. Thanks go to McCormick & Schmick's Seafood Restaurant for another year of support.

MARK YOUR CALENDAR FOR OCTOBER 11

Along with a great meal, October 11th will afford you the opportunity to meet firefighters, purchase clothing (t-shirts, sweatshirts, kids wear, etc.) and even win a ride around downtown Portland on a fire engine. All of the activity supports the Safety Learning Center & Fire Museum, located at SE 35th and Belmont. This unique facility shares the history and heritage of the fire service in Portland, all within the walls of a historic firehouse. Your support will help maintain this facility AND bring fire and life safety education to Portland and the greater metro area. Thank you, in advance, for your support.
